Thank you George for a job well done. Your dedication to quality is evident in your final product.

Regards,
John

Thank you Horia for your continuous trust in our product and ability. Your support and guidance provided a great help in meeting the challenges on this project. We are looking forward toward the next assignment and hope that our relationship will continue for a very long time.
Regards,
George

George:

Attached performance evaluation is going out in the mail.

Keep up the good work!
